Washington, D.C. 20231

INFORMATION DISCLOSURE STATEMENT

In accordance with the duty of candor and good faith imposed by 37 C.F.R. §1.56 and means of complying therewith according to 37 C.F.R. §§1.97 and 1.98, the references listed on the attached PTO-1449 are called to the attention of the United States Patent and Trademark Office in connection with the above-identified patent application. Copies of the cited references are enclosed herewith. No admission is made that the cited art comprises prior art, nor that the cited art is the most material art.

The Office is urged to consider the enclosed cited references, as well as the August 26, 2002 Information Disclosure Citation and three references cited therein, and to make an independent decision with respect to their materiality.

Respectfully submitted,

John H. Runnels
